Application Submission Steps

To facilitate Register of Merit (ROM) award processing, make sure your application is complete when you submit it. Send your completed application in one email with the dog's call name in the subject line, or in one envelope if sending a paper application.

1. Fill in all blanks and complete all sections of the application for the appropriate ROM level(s).
2. Fill out the dog's registered name on the top line of the application, listing **ONLY** titles that qualify the dog for the ROM. Check the ROM Requirements for a list of titles accepted. Do not list titles not accepted towards an ROM (e.g. rally, CGC, therapy, BN, etc.)
3. Submit the application with all necessary **title/award documentation**. For proof of titles, sign into the Members Only section of PWDCA.org and go to <http://www.pwdca.org/titles-awards> to access the titles databases. For any qualifying title that is listed in the AKC or PWDCA water title databases, no additional documentation is required. For each title, check the box in the application below to indicate whether the title is listed in the PWDCA.org title databases.

4. For awards or titles not listed on the PWDCA website, you must provide supporting documentation for the title or award. The free AKC report is accepted for all AKC title documentation, or you may submit copies of the **highest** level title certificate from each venue of competition.
5. Submit a **high resolution photo** of your dog with the application to be used in the ROM Awards Presentation at the next Specialty. Email submission is highly encouraged. If you do not have a digital image available, a hard copy photo is acceptable. Photos will be returned after processing.
6. **Email submission** of the application, supporting documentation, and picture is highly encouraged. Please send all of the above in ONE email with your dog's call name in the subject line (e.g. Fido BROM). Incomplete applications will be returned. If it is not possible to submit all documentation in one email, please contact the Awards Committee ROM Administrator. Confirmation will be sent that the Program Administrator has received your application. **Contact the ROM Administrator if you sent your application and haven't received confirmation.**
7. If you need to mail your application, do NOT send via certified mail, and be sure to waive the signature requirement. All documentation must come in one package do not send piece meal applications. If your application is not complete it will be returned.
8. It is the sole responsibility of the ROM award applicant to provide the ROM Administrator with all information necessary to verify an ROM award following the steps listed here and listed on the ROM Requirements page.
9. ALL dogs must be participants in the PWD Health & Litter Log. All information in the **PWD Health and Litter log must be updated annually** in the year that your dog is receiving the ROM, whether there are changes or not. Go to the Update Health information screen, scroll to the bottom and check No Changes or Additions if there are no changes or additions. See more information under ROM Requirement page. Do not send copies of health certificates with the application.
10. **A due date for all submissions** for the year's National Specialty will be set each year according to the dates of the National Specialty. After the close date, late applications for that year's Specialty will not be accepted. The close date will be announced on the PWDCA-L and on the PWDCA website. No late submissions will be accepted.
